BATERÍAS ACERO INOXIDABLE *STAINLESS STEEL COOKWARE*

El acero inoxidable 18/10 es el material que mayor durabilidad ofrece en nuestras cocinas. Las ollas y cacerolas BRA® fabricadas en acero son el "fondo de armario" perfecto, tanto para cocinar caldos y guisos tradicionales como para cocciones rápidas que no necesitan antiadherente. El triple fondo difusor forjado que equipa cada pieza, asegura una perfecta distribución del calor gracias al aluminio encapsulado de su interior.

The 18/10 stainless steel offers the best durability in our kitchen. BRA® stainless steel pots and pans are the perfect kitchen basics both for cooking traditional broths and stews or for daily cooking that doesn't require non-stick coating. The triple-forged diffuser bottom on each piece ensures perfect heat distribution thanks to its encapsulated aluminum inside.
